

An aerial photograph of a community garden. The garden features several raised beds with various plants, some covered with white plastic. A prominent wooden trellis structure is visible in the lower right. The garden is surrounded by trees and a building is visible in the background. The text 'FACILITATED GREENING & GOVERNANCE' is overlaid on the right side of the image.

FACILITATED GREENING & GOVERNANCE

Rozalija Cvejić
University of Ljubljana
rozalija.cvejic@bf.uni-lj.si

An aerial photograph of a hillside covered in lush green trees and vegetation. In the foreground, there is a dirt path and a wooden fence. A person is walking on the path. The background shows a building and more trees. Overlaid on the image are three overlapping circles: a large blue circle at the top, a red circle on the left, and a green circle on the right. The text 'urban green infrastructure' is in the blue circle, 'transition sites' is in the red circle, and 'urban agriculture' is in the green circle.

1. CASE STUDY

- 
- The BCS
 - Since 2010
 - 0.2 ha
 - City centre

1. RESEARCH AREA

- 
- An aerial photograph of a hillside. At the top, there is a multi-story building with a satellite dish. The hillside is covered with green trees and some cleared areas. In the middle, there are several rectangular plots, some of which appear to be agricultural. At the bottom, there is a fenced area with a person standing near a gate. A semi-transparent blue circle is overlaid on the left side of the image, containing a list of bullet points.
